

O'er the Mountains

Traditional - A WWI soldier's lament.

CAPO on 2

INTRO:

A Bm A F#m A E A

VERSE 1:

I'm always light-hearted and easy,
Not a care in this world have I.
Be-cause, I am loved, by my Molly,
And I couldn't for-get, if I tried.

VERSE 2:

She lives far away o'er the mountains,
Where the little birds sing in the trees.
In a cottage all covered with ivy,
Where my Molly, is waitin', for me.

CHORUS:

It's over, it's over the mountains,
Where the little birds...
sing in the trees.
In a cottage all covered with ivy,
Where my Molly, is waitin', for me.

Repeat Intro:

A Bm A F#m A E A

VERSE 3:

The day I said goodbye to Molly,
Is a day I will never for-get.
For the tears bubbled up...
from their slumber,
I fancy, I'll see them yet.

VERSE 4:

They looked like the pearls in the ocean,
As she wept her tale of love.
Saying "Johnny my dear don't for-get me",
Till we meet here a-gain or a-bove.

CHORUS:

It's over, it's over the mountains,
Where the little birds...
sing in the trees.
In a cottage all covered with ivy,
Where my Molly, is waitin', for me.
Where my Molly, is waitin', for me.
